Mrs. Yvonne Copping

As I reported in the last Bar Hill News, Mrs. Copping is to retire from teaching at the end of this term. Her retirement will be marked at a reception to be held in the School on the 21st July, between 6.30 - 8.00 pm.

During the course of this evening, there will be a presentation by the Chairman of the Governors, Mr. John Fuller, to Mrs. Copping. May I thank people who have already contributed towards the cost of this gift and urge those of you still to do so to please be no later than Monday 12th July.

All friends, parents, former pupils are most welcome to attend, but please, if you are coming, kindly pop the slip below back to the School so that we can have some idea of the number for whom we must cater.

I look forward to seeing you at this evening so that we can mark Yvonne's contribution to the children of Bar Hill in a fitting way.

Yours Sincerely
Roger Kilsby

There will be .....of us at Mrs. Copping's farewell

Signed.....

Baby-sitting Circle

Do you have problems finding someone to look after your children while you have an evening out? Your problems are solved!

Bar Hill has two main baby-sitting circles, both run on a "token" system, which means that tokens are used as payment for a sitter - so no money changes hands. The other advantage is that your sitter will always be a mother, who, having children of her own, can be relied upon to act responsibly towards your children.

There is no obligation to baby-sit at any time and you can use the circle as often or as little as you want.

If you would like to know more about joining a circle, please contact either Chris McDermott **782401** or Jacky Amey **780249.**

Wildlife trust - appeal into action

How many people have seen an otter in its natural environment - not in captivity? Or come to that, a badger - not lying dead by a roadside? Or a dormouse curled up in deep hibernation? Very few, as these animals are almost unseen today when years ago they would have been common.

As a result of recent surveys, the Wildlife Trust for Bedfordshire & Cambridgeshire has launched the Wildlife Action Fund appeal to help pay for six action plans - projects protecting endangered species.

The appeal will run from June until the end of September and this will provide the financial support for projects on otters, badgers, rare butterflies, dormice and dragon flies. The appeal's target is £21,000.

The otter project, for example, will mean that otter holts can be built and trees planted so that rivers and banksides are restored, making them once again habitable by otters and other wildlife.

Surprisingly enough, the dormouse is believed to be extinct in Cambridgeshire and the few remaining sites in Bedfordshire are threatened by habitat loss. The appeal will help pay for a reintroduction programme to a location in Cambridgeshire and for protection of the few remaining animals in Bedfordshire.

These are but two of the six planned projects. We need your help and financial support to ensure that these and the other projects go ahead. If you would like to contribute to the Wildlife Action Fund appeal, please send your donations to:

The Bedfordshire & Cambridgeshire Wildlife Trust, Enterprise House, Maris Lane, Trumpington, Cambridge CB2 2LE.

Telephone:- **(9) 846363**

Also available are four fact sheets on the badgers, otters, dormice and barn owls. These can be purchased from the Wildlife Trust by contacting **(9) 846363**

Colts Football

As promised last month, I can now confirm the final league positions of all our teams:-

Under 10s - 3rd in division 10B
Under 11s - Champions in division 11A
Under 12s - 13th in division 12C
Under 13s - 3rd in division 13A
Under 14s - 10th in division 14C
Under 15s - 7th in division 15B
Under 16s - 6th in division 16C

The under 11 team collected their league trophy and individual shields at a ceremony in the Guild Hall, Cambridge on 12th June. It was an experience that all of the lads enjoyed, and no doubt will remember for a long time.

By the time that you read this article, the AGM for the Colts will have been held and the 1993/4 season committee appointed. Few people realise that, whilst it may be summer and no activity is taking place on the football pitch, a significant amount of planning is underway. For example, all teams entering the new season's league and cup competitions have to be registered and fees paid, at a cost of approximately £300. Furthermore, our managers are confirming which lads are available to play next season. Some teams need additional players for the kick-off in September and any lads wishing to play should contact the Manager listed below for their age limit. Alternatively, they can contact the Club Secretary, Diane Chapman **781502.**

Non-League teams

Under 8s - No manager as yet - volunteers contact the secretary
Under 9s - Brian Tanner780830

Under 11s - Mick Brown 781146

Under 14s - Mick Egan 780801
Under 15s - Bob Cordiner781539
Under 16s - Dave Kember782118

Teams will recommence training in early August, but check with your manager for the exact date.

Fund Raising - There is still time to get your ticket for the Club Barbecue and disco on Saturday 3rd July in the School (8 pm to midnight) Tickets are available from managers.

The following afternoon, 4th July, on the School playing field, the dads annual five-a-side tournament will be held. Will Dave Kember's side (under 16s) win for the third consecutive year, or will there be new champions? Why not come along and enjoy a good afternoon's entertainment ?

Cricket Club News

The first team have had a mixed set of matches with two wins, two losses and one tie. It is difficult to tie a match, even with limited over matches, but the last match was tied against our old friends Thurlow after an exciting finish.

Peter Lemon has captained the Second Team to three wins out of three and we had a walkover last week when *Free Press* failed to field a team. We are still in the Lower Junior Cup, so we have everything to play for.

The mid-week team under Chris Tolbett has won two and lost two with the match against Willingham finally abandoned due to the bad weather conditions.

Matthew Tarrant and the under 15s played a friendly against Haddenham with the assistance of a few adults and did well to bat 130 runs - not enough for a win, but a good start. Other matches against Over and St. Ives under 15s are planned later in the season

Our fixtures for July are:

3rd	Sat	2.30	Home	Burwell S. R.	2nd	League 7B
4th	Sun	2.30	Home	B. H. Church		Friendly
7th	Wed	6.15	Away	Abbots Ripton		MW League

Happy Hours
Bar Hill Senior Citizens club

As we go to press, we understand Mary Eccles has had her operation but remains in hospital for skin grafting, Lilian Gilbert is awaiting the results of her tests, Winn Asprey seems to be making a slow recovery and Hilda Collet is back in the fold, looking as cheerful as ever. Our members send their sincerest wishes for a speedy recovery, and look forward to seeing you all back with us as soon as possible.

Absentees - The number of members attending the Club on Mondays varies quite considerably. This can be due to holidays, but often is because of illness. If you know of anyone who is not attending due to illness please let our Registrar know. Often we can help with transport to get them to and from either the medical centre or Addenbrookes or even arrange a visit to them in hospital.

Help at home - At the Monday meeting on 14th June, Phyllis mentioned that she had obtained the services of a cleaning lady especially for those who are temporarily indisposed. If you do need help please give Phyllis a ring on **781124**.

Club competitions - Sid and Ruby set up various sporting sections within the Club and obtained a few volunteers to run them. It's our way of getting the non-committee members involved. Sid and Ruby have purchased five lovely plaques for the eventual winners which will adorn their sideboards later this year (the winners I mean). The sporting sections formed are:-

Scrabble	- Eileen Shears
Cribbage	- Fred Collings
Darts	- Geoff Ashby
Table Tennis	- Sid
Dominoes	- Maggie Wagstaffe

As you will appreciate, it has taken Sid a lot of effort to get this organised and, although some competitions have reached an advanced stage, others are lagging behind a bit. To keep everything on the boil, may I suggest that, if you are one of the entrants who is not sure of who your next opponent is, contact the section organiser, so that we keep the games rolling along.

New Projector - Olive Goodwyn has kindly donated a projector to the Club. Thank you Olwyn I am sure we will make good use of it in the future.

Farewells - Tina and Martin Franks will have departed to pastures new by the time you have received this edition of the BHN. Tina served on the committee for the early years of our Club and Martin has been a marvellous contributor to all our activities in so many ways. We are so grateful for all that they have done and they will be sorely missed. They have promised that, when the opportunity presents itself, they will visit us in the future. On behalf of all the members we extend our grateful thanks to them both and wish them every success in their new venture. I personally will miss Martin's wonderful sense of humour and, of course, the sound of his voice, echoing around the Octagon. We will certainly miss you both !

"The sun shines on the righteous" - - It is incredible the wonderful weather we seem to enjoy with our day trips and holidays. If you think back over the past four years, not one of our days out have been affected by the weather. A case in point was the holiday to Newquay, not a solitary day's rain, yet the previous week it was cold enough for snow. Saville Gardens was another example where we enjoyed a hot and sunny day, yet the days before and after were soaking wet. May we suggest that, if you are contemplating your holidays and wish to make sure you have perfect weather, you consult our "*Sun Prophet and Goddess* " - madame Phyllis. How does she do it ?

Club Constitution - As you are already aware, our total membership has swelled to over the 100 mark, and the weekly average attendances range between 70 and 80. The Birthday and Christmas parties boost this to over 80 and with the popularity of these events it could be in the 90s this year. It certainly is very good news for the Club. But such large numbers could present a problem in terms of fire and safety regulations at the Octagon. Without wishing to dampen the spirit of the Club, the committee felt we should draw up a constitution, setting out the aims and intentions of the Club and to define the eligibility of membership. Have no fear, this will not effect existing members. However, Happy Hours has become so popular, not only in Bar Hill, but also in the surrounding district, that we fear that we will have to restrict new Club members purely to Bar Hill residents next year. One has to bear in mind that the growth in the number of people reaching retirement age could present a problem in accommodation. Sid (our Registrar) is going to 'vet' the existing membership list in order to remove some people who attend less than once or twice a year. Do not worry, Sid will contact those concerned personally before any action is taken !

Our MP Visits Bar Hill

James Paice, our Member of Parliament, will be holding a local surgery at the Village Hall on Friday 16th July. **All Welcome** . If you wish to talk to **your MP** on any subject it would be appreciated if you could phone **211450** to make an appointment.

Thanks

I would like to say thank you to all the friends who have supported me and offered help with lifts, etc. while my husband Geoff was in hospital and the Arthur Rank.

Sadly, he died on the 8th May 1993. Thank you all for the cards, flowers and donations; also the support at the crematorium.

A very special and **great** thank you to my neighbours, Mr. and Mrs. Buisson, without whom I would have been really lost. They did far more than could be expected of anyone. Thanks to Chris as well.

Thank you Alan Cole, a worthy friend. God Bless.

Brenda Neal

Emma Louise Girdler

The Family of Emma Louise Girdler extend their thanks for the kindness shown during the sad time of her recent death; for the cards, flowers and prayers. Thank you also to the residents of Hanover Close and to all those who generously donated towards funds for the Friends of Arthur Rank House.

We are touched by the support of Mum's Friends and we would like to thank you all for your friendship, especially during her long illness.

Thank you also to James Newcome for his support and for the many visits to Mum both at home and in hospital.

With thanks

Ron & Elizabeth Cotterell & Family

Christian Aid Week 1993

Bar Hill Guide

I would like to thank the people who deliver the Bar Hill News for being so cooperative and making an extra delivery this month to enable **the** Bar Hill Guide to reach every home in the Village with the minimum delay. Their efforts are very much appreciated.

Urgently Required

One collator and one or two persons to deliver the Bar Hill News in Appletrees !

Bar Hill News

Occasionally we need extra people to cover for the regular helpers collating/delivering in times of sickness or holiday.

Collating involves sorting and stapling 100 copies of the Bar Hill News (15 sheets each). This takes about one hour of your time! With practice you can even do this in front of the television.

Delivering involves posting about 50 copies of the Bar Hill News through your neighbours' letter boxes! This takes about half an hour.

Help in any aspect of producing the Bar Hill News is always appreciated.

Parish Council Notes

The monthly meeting of the Parish Council was held on Thursday 17th June at 7.30 pm in the Old Farmhouse.

Chairman/Vice Chairman - N. Richardson had been elected Chairman and V. Webb Vice Chairman for the coming year.

Chaterhall Properties - The Clerk would arrange a meeting for Chaterhall to give a presentation to Councillors regarding their development proposals.

Dangerous Parking Outside School - An acknowledgement to the Clerk's letter had been received from the Education Authority and it was hoped a representative would visit the area to view the problem.

PC. R. Morris - PC Morris was quite hopeful that there would be a good attendance at the neighbourhood watch meeting and that schemes would become established throughout the Village. He had also had a good response to his request in the Bar Hill News for Special Constables.

Parking in Otter Close - County Councillor J. Reynolds had pursued the matter of establishing further parking areas for people living in this area. He was, at present, awaiting a copy of plans denoting land ownership in Otter Close area.

Oakington - Longstanton Airfield Road - The Councillors did not feel able to support the Action Group on the opening of this road.

Sunshine Playgroup Donation - The Parish Council agreed to give a donation of £50 towards the cost of a concreted area to the side and front of their building

Clerk to the Parish Council,

Management of Poplar Trees

Dear Residents,

I like to be kept informed about things as much as anybody. As some of you know, there are some poplar trees next to the Nature Reserve (balancing lake) and recently I have been in contact with Cambs. County Council (Rural Group) landscapes and projects manager Jeff Kew, and this is their report...

The poplar trees are probably now approaching 25 years old and were no doubt planted when the development was laid out. They now form a distinctive feature, but are not totally in keeping with the local landscape. A proportion of the trees are now in poor health.

I would recommend progressively removing the trees and replacing the feature with a hedge. This could be achieved by felling 2/3 of the trees (retaining one tree in three) and establishing a hedge along the tree line. Once the hedge had established (5 years) the remaining trees could then be felled. Felling on this scale will not require a felling licence.

In order to establish a hedge the ground will need to be well prepared by spraying off the grass in a 1.5 metre strip where the hedge is to be planted in late summer, rotavation of the planting line and laying polythene mulching. Planting can then be carried out in late November/ early December. I would advise using contractors to fell and remove the trees, and prepare the site for planting. The actual planting could be carried out by volunteers.

The hedgerow bursts into life in February with the first catkins and leaves. In March the blackthorn shows its white flowers and the green leaves spread rapidly with the softer rains of April. May blossom crowns the hawthorn to welcome the returning willow warbler and blackcap, and thick swaths of cow parsley stretch along the hedgerow verges. The tortoiseshell flutters among the flowering nettles.

By September, the scarlet hips hang heavy on the dog rose, and squirrels hunt for prized hazelnuts as the autumn mists gather, while the hedgehog fills his belly with snails and insects in readiness for his long winter sleep. Amid the bare branches in December, flocks of finches and starlings forage busily for berries and seeds, keeping company with visiting fieldfares and redwings. Only the holly, yew and ivy are still green, but there is food and shelter in the hedgerow or in the deep leaf litter for the rich communities of birds and animals until spring returns once more. This is how a hedgerow should be.

Hello everyone,

As Social Club members account for roughly 20% of adult Bar Hill residents, it seemed a good idea to write an article, so here goes.

In March we had a well attended, though quite controversial Annual General Meeting. The members in attendance said a huge thank you and awarded a really well earned honorarium to our outgoing chairman Tim Reed, who after five busy and most fruitful years decided to call it a day.

A warm welcome was given to Graham Sadler who was unanimously elected as the new chairman and will surely be a great leader.

All members should raise their glasses to Anne and Sue, because, apart from keeping the bar in constant apple pie order, they have won a great honour for themselves and the Club by coming 1st in the Courage Free Trade Best Kept Cellar award. It was a really marvellous achievement to beat over 80 outlets.

We must also congratulate our crib team on their excellent performance in winning the league this year. There are some truly staggering sportsmen in our midst.

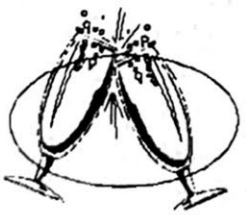
It has been decided to start membership renewals for 1993/94 from August 1st, in order to ease the usual annual rush to renew. This will give members who want the prestige of a low card number 13 months membership. The renewal times will be on the notice board soon but are expected to be most weekday evenings between 7.30 and 9.30 and possibly weekend lunchtimes.

The cost of joining remains at £3.00 for full membership until November 1st when membership costs will be £1.00 for Senior citizens and £5.00 for full membership, so renew early and save pounds.

Regular patrons will have noticed the frequent membership checks taking place. These are not done to cause inconvenience but to ensure that we comply both with the law and the Constitution, by being a Member's Social Club and not Bar Hill's other pub.

On Friday July 16th, it will be very wise to be in the club and seated early, because Criss Cross is going to entertain us with his very special brand of humour which is always a huge success and crowd puller.

Friday August 6th is our annual barbecue which is always a great success so get your tickets early from Jake or Mel and if you fancy yourself as a great barbie chef or pot washer why not offer them your services. Many thanks go to Barry Taylor for the free disco.



Many thanks for reading my efforts, next time we'll try to get a literate member to string a few words together for you.

Cheers, Geoff Walker.

Dear Friends,

I would like to thank the following people for their help and generosity towards the Nature Reserve:- Mrs. Paul-Caron, Amanda Gott, Rosemary Leach, Paul Lloyd, Tom Flanagan, Alan Reay and M. C. Paul (Bar Hill Barbers) and anyone else I might have forgotten.

Ten letters were sent out by me to various firms around Bar Hill, asking for help with buying an information board to be sited at the Nature Reserve. Up to now, I have received one reply, a cheque sent to me from the Bar Hill Barbers.

Once again I am asking for co-operation from the minority of dog owners throwing sticks into the pond for dogs to 'fetch'. Plants are still being ripped out and pond life disturbed by a few thoughtless owners. (One owner recently thought it was great fun urging his dog to 'fetch the duck' which luckily flew away !). Please, as a minority, think about what you could be spoiling for the majority.

Some of you will be aware of the poplar trees on the southern edge of the Nature Reserve, it has been put to me that... they are coming to the end of their lives, are rotten, neither providing shelter nor food for the birds in wintertime nor acting as a windbreak, so why not replace them with a hedgerow, which, when established, will provide nest sites for the birds, food for them in wintertime, homes for other animals to live in and hibernate, act as a windbreak, provide flowers for bees and butterflies to feed on, and also be a 'wildlife corridor'. Whatever your point of view, let's hear from you, good idea or bad, yes or no - (**781383** or **780456**).

If anyone would like to make a donation (of any amount) to the cost of a bench, litter bins or an information board for the Nature Reserve, then cheques or cash can be sent to me payable to Bar Hill Nature Reserve, thanks.

Take nothing but photographs, leave nothing but footprints.

Nick Richardson.
